

COPYBIO
COPYBIO

0% Waste
No plastic coating

100% Recyclable &
Compostable

Copy BIO es la nueva línea de Copy Valls de envases sostenibles de cartón para el sector alimentario, que elimina el film plástico, facilitando su reciclabilidad y compostabilidad. Certificados por FSC™ y OK Compost Home*, están alineados con las exigencias del mercado y la normativa.

Más que un envase, Copy Bio es una declaración de principios.

Copy BIO is Copy Valls' new line of sustainable cardboard packaging for the food sector, which eliminates the plastic film, facilitating its recyclability and compostability. Certified by FSC™ and OK Compost Home*, they are in line with market and regulatory requirements.

More than a package, Copy Bio is a declaration of principles.
